

## **AtmosClear Investments**

Job Title : Group Finance Manager  
Location : South East England or Lausanne, Switzerland  
Remuneration : Up to £100K / CHF 125K

Based in Switzerland, AtmosClear Investments is a fast-growing, international investment group specialising in Private Equity and Venture Capital, now looking to strengthen its team through the recruitment of a Group Finance Manager.

The successful candidate will have graduated within the top 5% of their class and be able to demonstrate exceptional financial expertise and commercial acumen to grow within the company, with a view to becoming Group Finance Director in the future.

### **Responsibilities**

The Senior Finance Manager will be responsible for all financial & management accounting, tax and company secretarial functions across the group. In addition, they will work closely with the investment team and with senior management to provide support and advice on a variety of investment projects.

Specific duties will include:

- Preparation of monthly management accounts for head office and for each investment company, including group consolidations
- Preparation of annual P&L/cash-flow budgets and monthly reforecasts for the group
- Monitoring and reporting on the performance of portfolio companies/investments
- Monthly reporting and presentations to senior management
- Preparation of financial/statutory accounts for group companies
- Taxation and regulatory compliance across the group
- Financial modelling/appraisal of investments (acquisitions & exits)
- General advice and support to the investment team and Investment Committee

### **Qualifications & Experience**

- Recognised finance qualification (such as ACA, ACCA, ACMA, or other international equivalent)
- At least 5 years' PQE in industry, preferably within a complex international group
- Ability to structure and implement complex financial models
- Advanced use of Microsoft Excel, including VBA
- Capable of working largely unsupervised and on own initiative
- Fluency in both French and English would be a distinct advantage

### **Location**

The position may be either UK or Swiss-based, depending on the candidate recruited and will require frequent travel between UK and Switzerland, as well as to other international locations.

**Remuneration & Benefits**

The successful candidate will enjoy a competitive package of remuneration and benefits.
